CEO Ngampooz & Dosen Universitas Budi Luhur

# Persiapan

1. MS Power Point sudah terinstall dengan baik
2. Gunakan earphone / headset yang terdapat microphone untuk voice over
3. Siapkan scenario setiap slide

# Menu yang Digunakan

The screenshot shows the Microsoft PowerPoint ribbon with the "Animations" tab selected. The ribbon includes tabs for Home, Insert, Draw, Design, Transitions, Animations, Slide Show, Review, and View. Below the ribbon, there are several groups of animation tools: "Preview" (Replay, Appear, Blinds, Checkerboard, Dissolve In), "Fill Color" (Fill Color, Grow/Shrink, Line Color, Spin, Transparency), "Exit Effects" (Exit Effects, Path Animation), "Effect Options" (Effect Options, Animation Pane, Trigger, Animation Painter), and controls for "Start" and "Duration".

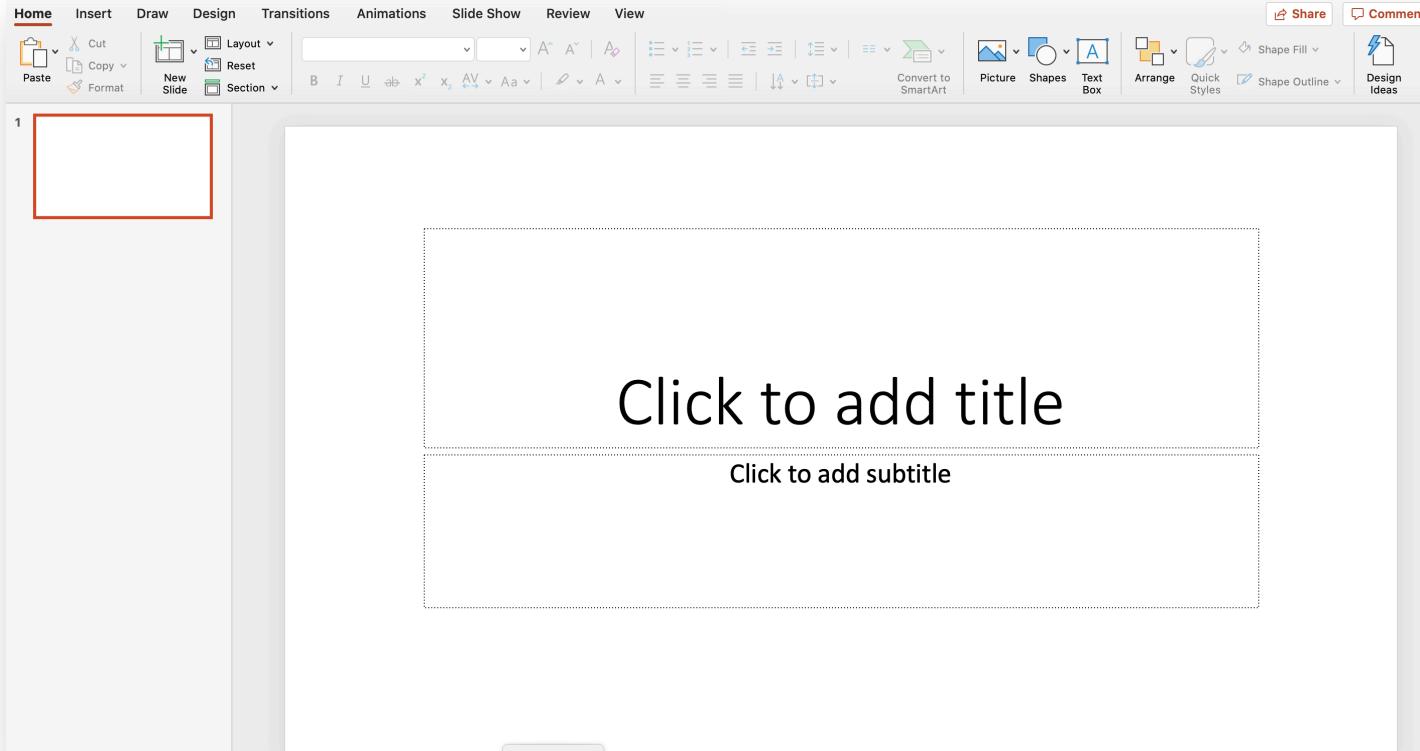

## Menu Animations

The screenshot shows the Microsoft PowerPoint ribbon with the "Slide Show" tab selected. The ribbon includes tabs for Home, Insert, Draw, Design, Transitions, Animations, Slide Show, Review, and View. Below the ribbon, there are buttons for "Play from Start", "Play from Current Slide", "Presenter View", "Custom Show", "Set Up Slide Show", "Hide Slide", "Rehearse Timings", "Record Slide Show", and controls for "Play Narrations", "Use Timings", "Show Media Controls", "Always Use Subtitles", and "Subtitle Settings".

## Menu Slide Show

# Langkah Pertama

1. Buka aplikasi/software PowerPoint
2. Kemudian Pilih “Blank Presentation”

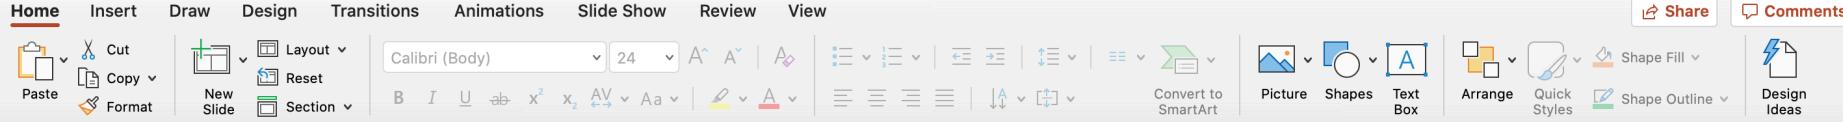

# Langkah Kedua

The screenshot shows a Microsoft PowerPoint slide. The ribbon menu at the top includes Home, Insert, Draw, Design, Transitions, Animations, Slide Show, Review, and View. The Home tab is selected. The font is set to Calibri (Body) at size 24, and the text color is black. The text on the slide reads "Membuat Presentasi Interaktif" in large, bold letters, followed by "Dosen Rockstar" in smaller text. A red rectangular box highlights the title text. The slide number "1" is visible in the top left corner of the slide area.

# Langkah Ketiga

A screenshot of the Microsoft PowerPoint ribbon showing the Home tab selected. The ribbon includes sections for Home, Insert, Draw, Design, Transitions, Animations, Slide Show, Review, and View. The Home tab's ribbon bar contains icons for Paste, Cut, Copy, Format, New Slide, Section, Calibri (Body) font, font size 24, bold, italic, underline, superscript, subscript, AV, Aa, alignment tools, Convert to SmartArt, Picture, Shapes, Text Box, Arrange, Quick Styles, Shape Fill, Shape Outline, and Design Ideas.

1 Membuat Presentasi Interaktif

2

Click to add title

• Click to add text

The slide content area features a large dotted rectangular placeholder for a title and a smaller dotted rectangular placeholder for text. Below these placeholders are four small icons representing different content types: a grid for tables, a bar chart for charts, a document for text, a photo for images, a globe for the internet, and a video camera for video.

# Konsep Tambah

$$\begin{array}{r} 1 + 5 = 6 \\ \hline \end{array}$$

**Bagian 1**

**Bagian 2**

@ainurony

A Microsoft PowerPoint slide titled "Konsep Tambah" (Addition Concept). The slide features a horizontal addition equation  $1 + 5 = 6$  with a blue horizontal line separating the sum from the result. Below the equation, there are two groups of red cars. The first group, labeled "Bagian 1", contains one car crossed out with a green diagonal line. The second group, labeled "Bagian 2", contains five cars, also crossed out with green diagonal lines. A single black car is positioned to the right of the equation. The slide includes a navigation bar on the left with two items: "Selanjutnya" and "Kembali". The ribbon menu at the top includes Home, Insert, Draw, Design, Transitions, Animations, Slide Show, Review, and View. The font is set to Calibri (Body) at size 32. The "Text Box" button in the ribbon is highlighted. The bottom right corner features a speaker icon indicating audio content.

# Langkah Keempat

Konsep Tambah

$$1 + 5 = 6$$

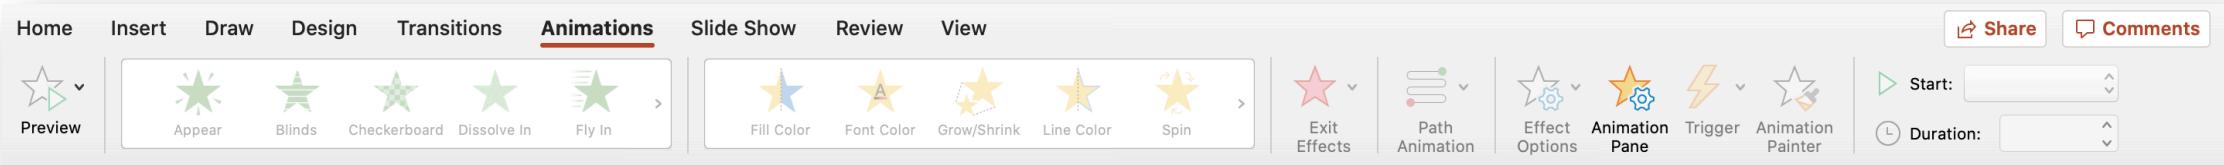

Notes :

Siapkan 3 buah bilangan (1, 5 dan 6)

Siapkan 2 notasi ( + dan = )

# Langkah Kelima (Part 1)

## 1. Pilih menu Animations

A screenshot of a Microsoft Word document. The document contains the text "Konsep Tambah" and a mathematical equation:  $1 + 5 = 6$ . The plus sign in the equation is highlighted with a red dotted selection border, indicating it is the target for the animation.

## 2. Klik Bilangan “1”

# Langkah Kelima (Part 2)

A screenshot of the Microsoft Word ribbon. The "Animations" tab is highlighted with a red underline. Below the ribbon, there are two rows of animation preview icons. The first row includes "Preview", "Appear", "Blinds", "Checkerboard", "Dissolve In", and "Fly In". The second row includes "Fill Color", "Font Color", "Grow/Shrink", "Line Color", and "Spin".

Preview	Appear	Blinds	Checkerboard	Dissolve In	Fly In
	Fill Color	Font Color	Grow/Shrink	Line Color	Spin

## 1. Fokus menu Animations

A screenshot of the Microsoft Word ribbon, identical to the one above, but with a large blue arrow pointing from the text "2. Pilih Menu ‘Appear’" down to the "Appear" icon in the first group of the Animations section.

Preview	Appear	Blinds	Checkerboard	Dissolve In	Fly In
	Fill Color	Font Color	Grow/Shrink	Line Color	Spin

## 2. Pilih Menu “Appear”

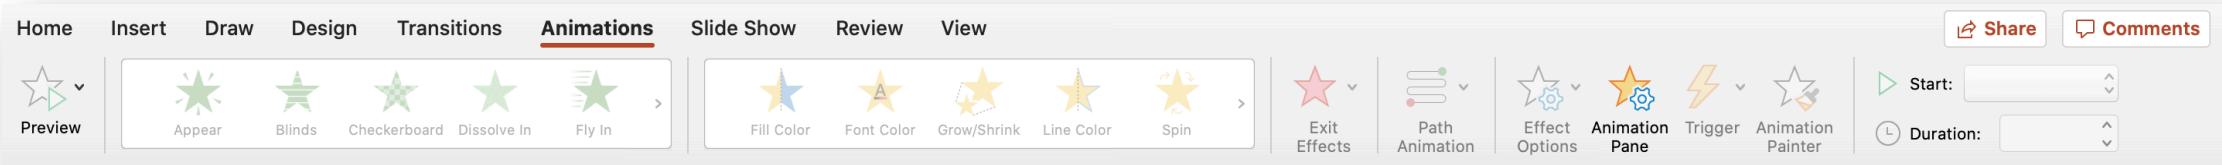

# Langkah Kelima (Part 3)

The screenshot shows a presentation slide with a light gray background. In the center, there is a white rectangular area containing a mathematical equation:  $1 + 5 = 6$ . Above the equation, the text "Konsep Tambah" is written in red. A blue arrow points from the word "Tambah" to the plus sign in the equation. To the left of the first number "1", there is a small red square containing the number "1", which is circled in green. Another blue arrow points from this circled "1" to the "Animations" panel on the right. The "Animations" panel has a title bar "Animations" with a close button "X". Below it is a section titled "Play From" with a dropdown menu showing "ANIMATIONS". Inside this menu, there is a list item "1 ↗ ★ 1". Further down the panel, there is a section titled "Effect Options" with fields for "Property", "After animation", "Sound", and checkboxes for "Smooth Start", "Smooth End", "Bounce End", and "Auto-reverse". At the bottom, there is a section titled "Timing" with a "Start" dropdown set to "On Click".

Berhasil Membuat objek bilangan "1" ke dalam animasi

# Langkah Keenam (Part 1)

## 1. Pilih menu Animations

A screenshot of a Microsoft PowerPoint slide. The title 'Konsep Tambah' is at the top. Below it is a mathematical equation:  $1 + 5 = 6$ . The plus sign is enclosed in a rounded rectangle with a small circular callout above it. To the left of the equation is a small number '1'. To the right is an equals sign followed by the number '6'. On the right side of the slide, the 'Animations' pane is open, showing a list of one animation applied to the plus sign. The pane includes buttons for Play All, Up, Down, and Delete.

2. Klik “+”

# Langkah Keenam (Part 2)

A screenshot of the Microsoft Word ribbon. The "Animations" tab is highlighted with a red underline. Below the ribbon, there are two rows of animation preview icons. The first row includes "Preview", "Appear", "Blinds", "Checkerboard", "Dissolve In", and "Fly In". The second row includes "Fill Color", "Font Color", "Grow/Shrink", "Line Color", and "Spin".

## 1. Fokus menu Animations

A screenshot of the Microsoft Word ribbon, identical to the one above, but with a thick blue arrow pointing from the text "Pilih Menu 'Appear'" down to the "Appear" icon in the first group of the Animations section.

## 2. Pilih Menu “Appear”

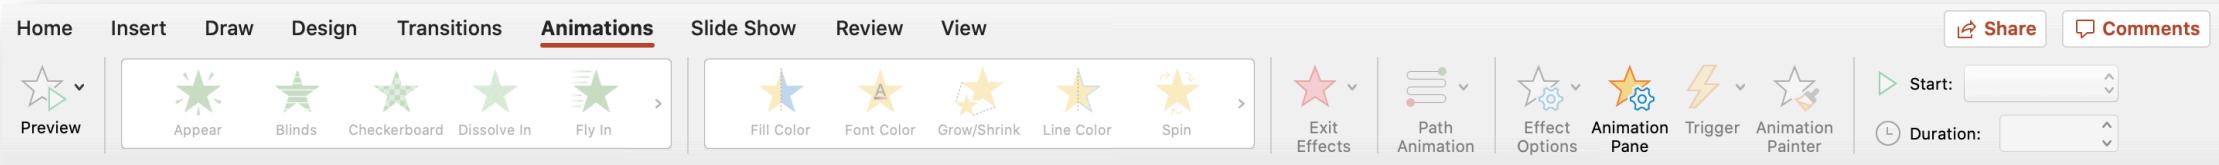

# Langkah Keenam (Part 3)

The screenshot shows a presentation slide with the title "Langkah Keenam (Part 3)" at the top. The slide content includes the text "Konsep Tambah" and a mathematical equation:  $1 + 5 = 6$ . The number "1" is circled in green, and the plus sign "+" is highlighted with a green circle and a red border. A blue arrow points from the green circle around the plus sign to the Animations panel on the right. The Animations panel shows two keyframes: "1" and "2". Keyframe "1" has a green star icon, and keyframe "2" has a green star icon with a plus sign. The panel also includes sections for "Effect Options" (Property, After animation: Don't Dim, Sound: [No Sound], Smooth Start, Smooth End, Bounce End, Auto-reverse) and "Timing" (Start, On Click). A second blue arrow points from the green circle around the plus sign up to the Animations panel.

Berhasil Membuat objek "+" ke dalam animasi

# Langkah Ketujuh (Part 1)

## 1. Pilih menu Animations

A screenshot of a Microsoft PowerPoint slide. The slide title is "Konsep Tambah". The content shows the equation  $1 + 5 = 6$ . The number "5" is highlighted with a red box. To the right of the slide is the "Animations" pane, which lists two animations: "1" and "2", both associated with the number "5".

2. Klik “5”

# Langkah Ketujuh (Part 2)

The screenshot shows the Microsoft Word ribbon with the following tabs: Home, Insert, Draw, Design, Transitions, **Animations**, Slide Show, Review, View, and Shape Format. The Animations tab is underlined in red. Below the tabs, there are two rows of animation preview icons. The first row includes: Preview (dropdown), Appear, Blinds, Checkerboard, Dissolve In, Fly In, and a more options arrow. The second row includes: Fill Color, Font Color, Grow/Shrink, Line Color, and Spin, also with a more options arrow.

## 1. Fokus menu Animations

The screenshot shows the Microsoft Word ribbon with the Animations tab selected. Below the tabs, there are two rows of animation preview icons. The first row includes: Preview (dropdown), **Appear**, Blinds, Checkerboard, Dissolve In, Fly In, and a more options arrow. The second row includes: Fill Color, Font Color, Grow/Shrink, Line Color, and Spin, also with a more options arrow. A thick blue arrow points from the bottom left towards the 'Appear' icon in the first row.

## 2. Pilih Menu “Appear”

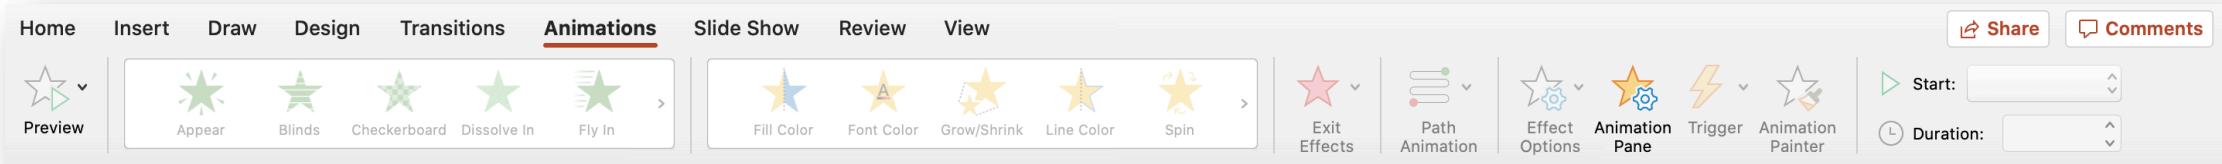

# Langkah Ketujuh (Part 3)

The image shows a presentation slide titled "Konsep Tambah" (Addition Concept). The slide contains the equation  $1 + 5 = 6$ . The number "5" is highlighted with a green circle and a red border. A blue arrow points from the "Animations" panel to this highlighted "5". The "Animations" panel on the right lists three steps: 1 (cursor over a star), 2 (cursor over a plus sign), and 3 (cursor over the number 5, which is currently selected). The "Effect Options" section includes settings for "Property", "After animation" (set to "Don't Dim"), and "Sound" (set to "[No Sound]"). The "Timing" section shows "Start" at "On Click".

Berhasil Membuat objek "5" ke dalam animasi

# Langkah Kedelapan (Part 1)

## 1. Pilih menu Animations

A screenshot of a Microsoft PowerPoint slide. The slide title is "Konsep Tambah". The content of the slide shows the equation  $1 + 5 = 6$ . The number 6 is enclosed in a rounded rectangle with a small circular callout pointing to it. To the right of the slide is the "Animations" pane, which lists three animations: 1. Appear (green star), 2. Blinds (green star), and 3. Spin (green star).

Konsep Tambah

$$1 + 5 = 6$$

2. Klik “=”

# Langkah Kedelapan (Part 2)

The screenshot shows the Microsoft Word ribbon with the following tabs: Home, Insert, Draw, Design, Transitions, **Animations**, Slide Show, Review, View, and Shape Format. The Animations tab is underlined in red. Below the tabs, there are two rows of animation preview icons. The first row includes: Preview (dropdown), Appear, Blinds, Checkerboard, Dissolve In, Fly In, Fill Color, Font Color, Grow/Shrink, Line Color, and Spin. The second row is partially visible.

## 1. Fokus menu Animations

The screenshot shows the Microsoft Word ribbon with the Animations tab selected. A blue arrow points from the text "Pilih Menu ‘Appear’" below to the "Appear" icon in the Animations group. The other icons in the group are Blinds, Checkerboard, Dissolve In, and Fly In. To the right of the Animations group, there is a second set of icons for Fill Color, Font Color, Grow/Shrink, Line Color, and Spin.

# Langkah Kedelapan

The screenshot shows a presentation slide titled "Konsep Tambah" (Addition Concept). The slide contains the equation  $1 + 5 = 6$ . Below the equation, there is a visual representation of subtraction: a red car with a box labeled "6" is being crossed out by a large green X. To its right, there is a group of five red cars, each with a box labeled "6". A blue arrow points upwards from the crossed-out car towards the number "1" in the equation. To the right of the slide, the "Animations" panel is open, showing a list of 17 animations. The first seven are numbered 1 through 7, followed by ten instances of "Picture 2" and one "Straight Connector 17". A green oval highlights the "Effect Options" section, which includes "After animation: Hide on Next Mouse Click" and "Sound: [No Sound]". A blue arrow points upwards from the "Effect Options" section towards the "Timing" section at the bottom of the panel.
